

No Authority, I Like It

I've been thinking 'bout you, for quite a while
You're on my mind every day and every night
My every thought is you
The things you do
Seem so satisfying to me
I must confess it girl

[Chorus:]

Ooh and I like it
You send chills up my spine everytime I take one look at you
Ooh and I like it
Girl, you're blowin my mind with the things you say to me

I like the way you comb your hair
I like those stylish clothes you wear
It's just the little things you do
That show how much you really care
Like when I'm all alone with you,
You know exactly what to do
You put that body beside of me
And make it more than just a dream, yeah

[Chorus]

Girl, let me run this by you
Just one more time
You're on my mind every day and every night
My every thought is you
The things you do
Seem so satisfying to me
I must confess it girl

[Chorus]

I like the way you comb your hair
I like those stylish clothes you wear
It's just the little things you do
That show how much you really care
Like when I'm all alone with you,
You know exactly what to do
You put that body beside of me
And make it more than just a dream

[2x]

I like it, I like it
I really really like it
I'm for it, adore it
So come let me enjoy it

Ooh and I like it
