No Doubt, D.J.'s / A Message To You Rudy

(Originally recorded by dandy livingston)

All of the D.J.'s surely have taken a lesson Start talking trash and I'll come with my Smith and Wesson

A little competition comes my way Bittybye but it always winds up the same Ah but the stone that the builder refuse Shall be the end corner stone and ah There ain't nothin' wrong, ain't nothin' right And still I sit and lie awake at night

Oh all of the D.J.'s surely have taken a lesson Try talkin' trash and I'll come with my Smith and Wesson Enough D.J.'s come - enough, enough style But when I bust my lyrics we all know it's wicked and wily

Ain't nothin' wrong, ain't nothin' right And still I sit and lie awake all night

Oh you finish that with your gat if you wanna walk with me You bound to come down with the new style Rock a rubadub known as reggae music You gonna come down with the new lyrics Cause it just ain't no thing - oh I said it's been a real long time

Ain't nothin' wrong, ain't nothin' right And still I sit and lie awake all night oh, oh yeah

Ah Dreddy's got a job to do but he might fulfill his mission To see his pain will be his greatest ambition We will survive in this world of competition Truly God set around the nation - bo bo bo!!!!!!..........

I won't wait so long Ooh I said I won't wait so long for you Oh oh see now ooh woh

Stop your messin' around Better think of your future Time you straighten right out Or you'll wind up in jail
