

No Fun At All, It's All Up To You

You better take control
or else you will float along
Aah you better use some action
cause nothing wont come to you
wont come to you

Strike 1 strike 2, this time it's up to you
Ooah this time it's up to you

You better make a stand
or someone else will take your chance
Aah you better use some action
cause nothing won't come to you
