

No Fun At All, What You Say !!

Don't try to walk away
You can't escape your problems
Think about the past
It makes you feel depressed
Forget about the timeWhen you were free and happy
Look at me and learn
Stop acting like you were a fool

Don't try think stop living for tomorrow
Cut it off, start living for today

Don't try to walk away
You can't escape your problems
Think about the past
It makes you feel depressed
Forget about the timeWhen you were free and happy
Look at me and learn
Stop acting like you were a fool

Don't try think stop living for tomorrow
Cut it off, start living for today
