

No Halo, Put your hands on

hands on...

hands on...

hands on...

hands on...

tuturututu

tuturututu,tutututututu....

something new in the air all around.

(tuturututu, tuturututu)

i feel you something there on the ground.

so baby come on put ur hands on

come on put your hands on, on me baby.

(tuturututu, tuturututu)

so baby come on put your hands on

come on put your hands on, on me baby.

oh!

running thru my fingers

riding thru my body

sensing like a shiver

down me and around yeah

so baby come and put your hands on

come and put your hands on, on me baby.

oh!

running thru my fingers

riding thru my body

sensing like a shiver

down me and around yeah

so baby come and put your hands on

come and put your hands on, on me baby

how do i multiply this resound

(tuturututu, tuturututu)

i need your breathing love sense around.

(tuturututu, tuturututu)

so baby come and put your hands on

come and put your hands on on me baby.

so baby come and put your hands on

come and put your hands on on me baby.

oh!

running thru my fingers

riding thru my body

sensing like a shiver

down me and around yeah.

so baby come and put your hands on

come and put your hands on on me baby.

oh!

running thru my fingers

riding thru my body

sensing like a shiver

down me and around yeah

so baby come and put your hands on

come and put your hands on on me baby

tuturututu,tuturututu, tuturututu,tuturututu, tuturutu

and i know that your there

cause im getting you everywhere

and your coming in close

like ive never been feeling before

and i know that your there

cause im getting you everywhere

and your coming in close, close close....

running thru my fingers

riding thru my body

sensing like a shiver

down me and around yeah

so baby come and put your hands on

come and put your hands on on me baby

running thru my fingers
riding thru my body
sensing like a shiver
down me and around yeah
so baby come and put your hands on
come and put your hands on on me baby
Oh!
tuturututu.....
