

# No Knife, Under The Moon

under the moon  
facing the water we  
drank wine  
late night, fireside.  
under the moon facing the water we  
swan dive  
late night, high tide.

half alive down by the shore  
just swim back to the rocks and wait in the dark  
deep and cold, i was so scared  
swim back to the rocks and wait in the dark  
half alive down by the shore  
just swim back to the rocks and wait in the dark  
deep, cold  
under the moon  
oh, the stupid things i'll do on a dare...
