

No Secrets, Kids In America

Looking out a dirty old window
Down below the cars in the city go rushing by
I sit here alone and I wonder why
Friday night and everyone's moving
I can feel the heat but it's soothing
Heading down
I search for the beat in this dirty town
Downtown the young one's are going
Downtown the young one's are growing

We're the kids in America (ho-oh)
We're the kids in America (ho-oh)
Everybody live for the music-go-round

Bright lights the music gets faster
Look boy, don't check on your watch
Not another glance
I'm not leaving now honey, not a chance
Hot-shot give me no problems
Much later baby you'll be saying never mind
You know life is cruel, life is never kind
Kind hearts don't make a new story
Kind hearts don't grab any glory

We're the kids in America (ho-oh)
We're the kids in America (ho-oh)
Everybody lives for the music-go-round

Da da da da da da (x4)

Come closer, honey that's better
Got to get a brand new expirience
Feeling right
Oh don't try to stop baby, hold me tight
outside a new day a new day is dawning
outside suburbians crawling everywhere
I dont want to go baby,
New York to California
There's a new wave coming we warn ya

We're the kids in America (ho-oh)
We're the kids in America (ho-oh)
Everybody lives for the music-go-round

Da da da da da da (x4)
