

No Secrets, Once Upon A Dream (I Know You)

(Chorus x3)

I Know You...

I Danced With You Once Upon A Dream

(Come On And Dance)

I Know You...

The Gleam In Your Eyes Is Up to here to me

Once Upon a time in a magical kingdom

A Beautiful princess fell into a lonely sleep (I've Been Dreaming about you)

Only a kiss from a handsome prince could awake her

So he could tell her how lovely she is

(Wake Me Up)

Chorus x3

(BETWEEN THE CHORUS'S - Come on and dream & I've Been Dreaming About You)

I Know You Its So True

The Gleam in your eyes are so familiar

The Sugarplums about us are dancing

(Once Upon A Dream x3)

I,

I,

I,

Know You

I,

I,

I,

Know You

Chorus until song ends
