

# No Use For A Name, Chasing Rainbows

Just heard the news today, let yourself down once again  
Trusted your feelings in a place that no one goes  
Will you do anything to satisfy your so-called friend?  
There's something you ought to know before you explode

All I want to do is make sure you stop chasing rainbows  
Trusting those around you is an easy thing to do  
I'm not saying don't believe in someone that you don't know  
Just don't go on thinking that the whole world tells the truth

It's all fucked up, being reserved and quiet  
She doesn't understand the message that you send  
Don't give it all away somewhere, sometimes there's someone  
Who can replace that state of mind, you never give it time (never)

All I want to do is make sure you stop chasing rainbows  
Letting everybody crawl inside your heart and mind  
Kicking you is easy when you're down  
That's where the weak go  
To release their anger on someone who will not try  
To stand up and give them a fight
