

No Use For A Name, How Does It Feel

I'm not afraid of anything
I just need to know that I can breathe
I don't need much of anything
But suddenly

I am small and the world is big
All around me is fast moving
Surrounded by so many things
But suddenly, suddenly

Chorus:
How does it feel to be
different from me
Are we the same
How does it feel to be
Different from me
Are we the same
How does it feel

I am young and I am free
But I get tired and I get weak
I get lost and I can't sleep
But suddenly, suddenly

Chorus

Would you comfort me
Would you cry with me

Ah ah ah ah ah ah ah ah ah ah ah ah ah ah
Ah ah ah ah ah ah ah ah ah ah ah ah ah ah

I am small and the world is big
But I'm not afraid of anything

Chorus2x

Ah ah ah ah ah ah ah ah
Ah ah ah ah ah ah ah ah

How does it feel
How does it feel
You're different from me different
How does it feel
How does it feel
You're different from me different
