

No Use For A Name, Mobile

Went back home again
This sucks gotta pack up and leave again
Say goodbye to all my friends
Can't say when I'll be there again
It's time now to turn around
Turn my back on everything
Turn my back on everything...

Everything's changing when I turn around
All out of my control, I'm a mobile
Everything's changing when I turn around
All out of my control, I'm a mobile
Mmm, yeah

Start back at this life
Stretch myself back into the vibe
I'm waking up to say I've tried
Instead of waking up to another f**king T.V. Guide
It's time now to turn around
Turn and walk on this crazy ground
Oh, oh
Oh, oh

Everything's changing when I turn around
All out of my control, I'm a mobile
Everything's changing everywhere I go
Out of what I know, I'm a mobile

I'm a mobile...

Hanging from the ceiling
Life's a mobile
Spinning 'round with mixed feelings
Crazy and wild
Sometimes I wanna scream out loud...

Everything's changing
Everywhere I go
Out of what I know... x

Everything's changing
Everywhere I go
Out of what I know
Yeah, yeah, yeah

La, la, la, la, la, la, la la la
La, la, la, la, la, la, la la la
La, la, la, la, la, la, la la la
La, la, la, la, la, la, la...

Everything's changing
When I turn around
All out of my control, I'm a mobile

Everything's changing
Everywhere I go
Out of what I know, I'm a mobile
Everywhere I go, I'm a mobile
