## No Use For A Name, Truth Hits Everybody

You had me thinking like a purple ocean Oh, what a line for me to start this song You may be sleeping by an open door and ... You may be saying that these words are wrong. Take a look at my new toy It will blow the head off of a boy Truth hits everybody, truth hits everyone. You had me thinking in a backwards motion You use no Scope to smell you daddy's breath She does not choose to use no suntan lotion If you don't like the words, then you can guess Where you want to be, can't you ever see?
