## No Use For A Name, Turning Japanese

I got your picture of me and you You wrote "I love you" I love you too I sit there staring and there's nothing else to do Oh it's in color Your hair is brown Your eyes are hazel And soft as clouds I often kiss you when there's no one else around

I've got your picture, I've got your picture I'd like a million of you over myself I asked the doctor to take your picture So I can look at you from inside as well You've got me turning up and turning down and turning in and turning 'round

I'm turning Japanese I think I'm turning Japanese I really think so

I've got your picture, I've got your picture I'd like a million of you over myself I asked the doctor to take your picture So I can look at you from inside as well You've got me turning up and turning down and turning in and turning 'round

I'm turning Japanese I think I'm turning Japanese I really think so

No sex, no drugs, no wine, no women No fun, no sin, no you, no wonder it's dark Everyone around me is a total stranger Everyone avoids me like a psyched lone-ranger Everyone

That's why I'm turning Japanese I think I'm turning Japanese I really think so

I'm turning Japanese I think I'm turning Japanese I really think so
