

No Warning, Short Fuse

Bust!

Not important - not to me, not to you

This is always something we always have to go through

fuck what they said

If you believe what you hear,

you deserve what you were fed

Please don't waste my time

Don't ask me if it's true

I'll just tell you what you want to hear

And hope trouble finds you

Can't figure it out, I don't care

You gotta believe what they say

That's all that you should hear - Bullshit everyday

Please don't waste my time

Don't ask me if it's true

I'll just tell you what you want to hear

And hope trouble finds you

Everybody knows and everybody talks

Everybody sees but no ones saying nothing

Its no use - get a clue

It's time that someone fuckin told you

Take apart what I say

You change nothing anyway

Are you done?

Nice try

Heard it before,

Goodbye
