

# No Warning, Wrong Again

I played your fucking game and now I quit.  
All those times you gave me shit.  
Another lie, i never asked for it.  
All those times you let me down;  
do you expect me to stick around?  
I've held it in for far too long.  
No more of your fucking games.  
I've learned to deal with the pain.  
You thought you had me fucking beat.  
Well look again i'm still on my feet!  
You made your mark and you were out of line.  
And now the day has come and i get whats mine.  
Too many times you got the best of me.  
Something like you I could never be.  
You say i'm going down in these shoes.  
Livin' my life with nothing to lose.  
I look back on the things you've done.  
The best thing for me to do was run.
