

Noa, Can I Reach You

Can I reach you,
Are you there?
Can reach you
Do you care?
Can I reach you
If I let down my hair,
If I sit here and stare..

Can I reach you
If I try?
Can I reach you
If I cry?
Can I reach you
If I show you my eyes
If I wear my disguise
Can I reach you?

What'll it be
Longing or sorrow?
What'll it be
Beauty or light?
What'll it be
Honesty, passion?
What'll it be
Tonight..

Can you hear me
Through the dark?
Can you hear me
Where you are ?
Can you hear me
How I give you my soul
How I swallow you whole
Can you hear me?

What'll it be
Frailty or anger?
What'll it be
Purity or pride?
What'll it be
Sanity, madness?
What'll it be...

Can I reach you
With my voice?
Can I reach you
With my words?
Can I reach you
With my dreams..

Will I be happy?

What'll it be
Longing or sorrow?
What'll it be
Beauty or light?
What'll it be
Honesty, passion?
What'll it be
Tonight..

What'll it be
Frailty or anger?
What'll it be

Purity or pride?
What'll it be
Sanity, madness?
What'll it be? ?
