

Noa, Drive My Car

Lyrics: P. McCartney

Music: J. Lennon

Asked a girl what she wanted to be
She told me: baby cant you see?
I wanna be famous, star of the screen
But you can do something in between
Baby, you can drive my car
Honeys gonna be a star
Baby, you can drive my car
Baby, I love you
Told that girl my prospects were good
She told me: baby that's understood
Working for pennies is all very fine
But I can show you a better time
Baby, you can drive my car
Honeys gonna be a star
Baby, you can drive my car
Baby, I love you
Told that girl I could start right away
She told me: baby, got something to say
Ain't got no car, and it's breaking my heart
But I got myself a driver
And that's a start

Baby..
