

Noa, I Will

Lyrics: P. McCartney

Music: J. Lennon

Who knows how long I've loved you?
You know I love you still
I would wait a lonely life-time
If you want me to, I will

And if I ever met you
I did not catch your name
But it doesn't really matter
Cause I love you all the same

I will love you forever and forever
Love you with all my heart
Love you whenever we were together
Love you when we were apart

And now, at last, I've found you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
Cause the things you do endear you to me
Oh, you know I will,

I will
