

# Noah And The Whale, Give A Little Love

Well I know my death will not come  
'Til I breathe all the air out my lungs  
'Til my final tune is sung  
That all is fleeting  
Yeah, but all is good  
And my love is my whole being  
And I've shared what I could  
But if you give a little love, you can get a little love of your own  
Don't break his heart  
Yeah if you give a little love, you can get a little love of your own  
Don't break his heart

Well my heart is bigger than the earth  
And though life is what gave it love first  
Life is not all that it's worth  
'Cause life is fleeting  
Yeah, but I love you  
And my love surrounds you like an ether  
In everything that you do  
But if you give a little love, you can get a little love of your own  
Don't break his heart  
Yeah if you give a little love, you can get a little love of your own  
Don't break his heart  
Yeah if you give a little love, you can get a little love of your own  
Don't break his heart  
Yeah if you give a little love, you can get a little love of your own  
Don't break his heart

Well if you are (what you love)  
And you do (what you love)  
I will always be the sun and moon to you  
And if you share (with your heart)  
Yeah, you give (with your heart)  
What you share with the world is what it keeps of you
