

# Nobody's Angel, I Can't Help Myself

Love..love..love..love..love...

You smile a lot  
It makes me wonder what you're thinkin' of cause  
Baby you're always on my mind

And right now I want you with me here by my side  
(here by my side)  
With me til the end of time

I just can't help myself from falling in love with you  
(love..love.. with you)  
It doesn't matter what you say or what you do  
(no matter what you say, no matter what you do)  
Just give me a chance  
And I know I'll make you understand why  
I just can't help myself from falling in love with you...

Don't know if I should tell the world  
Just how I'm feeling cause  
I wanna be sure you feel the same  
The more that I think about it you need to know  
There's no other way no, no

I just can't help myself from falling in love with you  
(love..love.. with you)  
It doesn't matter what you say or what you do  
(no matter what you say, no matter what you do)  
Just give me a chance  
And I know I'll make you understand why  
I just can't help myself from falling in love with you...

(You must have been sent)  
You must have been sent from heaven above  
You're everything I've ever dream of  
You're too good to be true  
No I don't think so  
Baby no..

(Lalalalalalalalalalalala..)

Just give me a chance  
And I know I'll make you understand why  
I just can't help myself from falling in love with you

(I think I've fallin')  
I just can't help myself I'm falling in love with you  
(love..love.. with you)  
It doesn't matter what you say or what you do  
(no matter what you say, no matter what you do)  
Just give me a chance  
And I know I'll make you understand why  
I just can't help myself from falling in love with you...

I know it's love  
It's gotta be love  
I think I'm falling in love  
I think I'm falling in love  
(love..love..love..love..love..)  
I think I'm falling in love  
I think I'm falling in love  
(baby)  
Love..Love..Love..Love..Love....
