</lyrics>

A faraway voice clues me in
One after another, comrades prepare to battle
No more doing the same stuff over and over,
We're gonna turn that shit inside-out, ARE YOU READY?

My body shivers straight to the core
The energy rings out like violent STOMPING
It CALLS ME unrelentingly
This is an unstoppable comeback STORY

Come on, everybody stand up!
Today's your best shot!
You're a SPEED HUNTER! you can't be stopped!
You're a hit, everyone's watching you! YEAH!

Come on, Everybody stand up!
It's the HERO'S COMEBACK you've been waiting for!
Throw up your hands and COUNT DOWN!
Let's Go, 3-2-1 MAKE SOME NOISE!!!

*x8 Make some noise

Hey Yo Woah, Theres gonna be risks, can you handle 'em all?
Get back up and GET IT ON no matter how much you fall!
It's not some deep connection, just a paper-thin session
Now those pent-up feeling are a crystal of emotions

The rising tide of cheers will give you courage
Getting back up this time will be harder then ever.
But I know you'll end up smiling!
THE THRILL OF VICTORY WILL PUSH IT ALL AWAY!

Everybody stand up!
Today's your best shot!
You're a SPEED HUNTER! you can't be stopped!
You're a hit, everyone's watching you! YEAH!

Come on, Everybody stand up!
It's the HERO'S COMEBACK you've been waiting for!
Throw up your hands and COUNT DOWN!
Let's Go, 3-2-1 MAKE SOME NOISE!!!
