

# Nobodys, Fuck You Too

I'm not quasimodo or the elephant man, but you treat me like i am.  
I'm not a lepar.  
I don't have a disease, but you won't speak to me.

Who the f\*\*k do you think you are treating me like that.  
You must think she's God's gift to man, and i'm not good enough for you.

F\*\*k you too.

You're no goddess, no f\*\*king way.  
You couldn't be Miss U.S.A.  
You ignored me, you blew me off.  
You didn't even give me a chance.

Who the f\*\*k do you think you are treating me like that.  
You must think she's God's gift to man, and i'm not good enough for you.

F\*\*k you too. (11x)
