

Nobodys, Give It A Rest

I hate my job, i hate my life.
If i was married i'd hate my wife. Oh Yeah.
If i had kids i'd hate them too.
But not as much as i hate you. Oh no.

I'm sick of people telling me what they think is best.
Just cause my life is a f**king mess.
I'm sick of people telling me what they think is best.
I wish they'd shut their f**king mouth and give it a rest.

I've heard it once, i've heard it twice.
Don't wanna hear no more advice from you.
Same shit, different day.
I don't care what you say no more.

I'm sick of people telling me what they think is best.
Just cause my life is a f**king mess.
I'm sick of people telling me what they think is best.
I wish they'd shut their f**king mouth and give it a rest.
