

Nobodys, Happy

You think you're so much better than me.
What's it gonna take to make you see?
You're not better, you're just the same.
Another person with a different name.

I don't wanna hear what you got to say.
Leave me alone and just go away, and i'll be happy.
I don't wanna hear what you got to say.
Leave me alone and just go away.

Head up high, you think you're so tough.
Criticize me, i've had enough.
You always tell me what to do.
I've had all i'm gonna take from you.
Don't tell me things i've already heard.
Shut your mouth, i don't wanna hear a word.

I don't wanna hear what you got to say.
Leave me alone and just go away, and i'll be happy.
I don't wanna hear what you got to say.
Leave me alone and just go away, just go away.

You think you're so wonderful.
You think you're so great.
You're the type of person that i hate.
Don't tell me how i should behave.
I won't listen, i'm not your slave.
I'm sick of hearing you put me down.
Don't you understand i don't want you around.

I don't wanna hear what you got to say.
Leave me alone and just go away, and i'll be happy.
I don't wanna hear what you got to say.
Leave me alone and just go away.
