

Nobodys, I Don't Need Your Love

I don't need your pretty face.
I don't need your perfect teeth.
I don't need your sparkling eyes.
I don't need your lies.

I don't need your love.
I don't need your love.
I don't need your love.

I don't need your kindness.
I don't need your touch.
I don't need your smile.
I don't need your lies.

I don't need your love.
I don't need your love.
I don't need your love.

I don't need your love.
I don't need your love.
I don't need your love.
