

# Nobodys, Rock 'N' Roll Bitch

She's been to psycho ward, been to jail.  
Been to rehab, been to hell.  
She's got three kids, drives a truck.  
Takes a million pills and loves to f\*\*k.

Ah yeah, what a great f\*\*king woman.  
She's a serious rock & roll bitch.

When the bills are due and the booze ain't free, a nervous breakdown is a possibility.  
Can't pay the rent, no car, no hope.  
But you can bet your ass she's got money for dope.

Ah yeah, what a great f\*\*king woman.  
She's a serious rock & roll bitch.  
She's a serious rock & roll bitch.  
She's a serious rock & roll bitch.  
And that's the kind of women that i like.

When she smiles, you can bet it's the heaviest smile you'll ever get.  
She's so damn bad, you can bet that i ain't in love, but that's as close as i get.

Ah yeah, what a great f\*\*king woman.  
She's a serious rock & roll bitch.  
She's a serious rock & roll bitch.  
She's a serious rock & roll bitch.  
And that's the kind of women that i like.  
That's the kind of women that i like.  
That's the kind of women that i like.
