

Nobodys, Sara Doesn't Like Me

I know a girl named sara, i think she's pretty cool.
And when i see her there ain't nothing i wouldn't do
To get her to notice me or even look my way.
But all she wants me to do is f**king go away.

Cause Sara doesn't like me.
Sara doesn't like me.
Sara doesn't like me.
Sara doesn't like me.

I saw her at the movie and tried to walk her home.
But all she wants me to do is leave her alone.
I think it's pretty clear to me, i guess it's plain to see.
That i really dig that girl, but she don't dig me.

Sara doesn't like me. (8x)
