

# Nobodys, The Jerk

I'm sorry for everything i've done.  
I was just out having fun and trying to impress my friends.  
They planted the ideas in my head, but i'm the one that got in her bed.  
And i regret everything i did.

I try to say i'm sorry, but you just don't understand.  
I try to say i want you back, but you want another man.  
I try to say i need you, it just don't work this time.  
I lost the only friend i needed to be mine.

Cheating isn't nothing new and you know i was never true.  
And my excuses, they just don't work.  
I know you don't want me back and maybe that's why i act, cause i know i'm a f\*\*king jerk.

I try to say i'm sorry, but you just don't understand.  
I try to say i want you back, but you got a better man.  
My friends can all go to hell, without you i can't breath.  
Out of all the girls i had, you're the only one i need.
