

# Nobodys, Vaseline And A Magazine

I don't go out.  
No i don't date.  
I stay at home and masturbate.

Cause all i need is vaseline and a magazine.  
All i need is vaseline and a magazine.

I'm not nice.  
I don't pretend.  
My right hand is my girlfriend.

Cause all i need is vaseline and a magazine.  
All i need is vaseline and a magazine.  
All i need is vaseline and a magazine.  
All i need is vaseline and a magazine.
