

# Nocturne, Sub-Mission

I'm on a submarine mission for you baby  
I feel the way you were going  
I picked you up on my TV screen  
I feel you under current flowing

Submission going down down  
dragging me down  
Submission I can't tell ya  
what I found

You've got me pretty deep baby  
I can't figure out your watery love  
I got to solve your mystery  
You're sitting it out in heaven above

For there's a mystery  
Under the sea  
Under the water  
Cos it's a secret  
Submission falling down down under the sea  
I wanna drown drown under the water  
going down down under the sea...
