

Nocturne, The Embrace

Music and lyrics by Ivan McRoy

Suddenly I am
Motionless within
Waiting here for you
For your touch of death
Inside the soul
Your eyes pierce my skin
Tease me with your knife
Please me once again

Feed your blackened eyes
Tease me with your knife
Enter my soul...

Drowning within
Ripping my skin
What I can take I will never let go of
I'll lose myself, and never be found
Suddenly I am
Motionless within

Feed your blackened eyes
Tease me with your knife
Enter my soul...

Waiting here for you
For your touch...
For your touch of death

Feed your blackened eyes
Tease me with your knife
Enter my soul
