

# Nocturnus, Apostle of Evil

Stalking the victims  
Learn what they're about  
Weaklings they all are  
Come. I will tell

I am the conqueror  
I am the one you fear  
I am the atrocity  
Unbelievable sickness  
In my mind

First. I get to know one  
I'll let it think that it know me  
Once, you trust me, the nightmare will begin  
You'll believe in me. I believe in it

Let the bludgeoning show my concern  
My children  
Pain is no real, only a dream  
Fear not my blade
