## Nocturnus, Apostle of Evil

Stalking the victims Learn what they're about Weaklings they all are Come. I will tell

I am the conqueror I am the one you fear I am the atrocity Unbelievable sickness In my mind

First. I get to know one I'll let it think that it know me Once, you trust me, the nightmare will begin You'll believe in me. I believe in it

Let the bludgeoning show my concem My children Pain is no real, only a dream Fear not my blade
