

# Nodes Of Ranvier, Oh Yeah, Well My Daddy Died

Break out the best china  
Another one passed on today  
and his contribution is now etched in time  
But I wonder...  
What were his last words to his family  
"I'm sorry I'm so selfish  
I'm sorry I won't be here for you  
I'm sorry a small metal spike owns me"  
Oh Opiate, Oh Revolver  
(where would i be without the two of you)  
Rest in peace, another dead rock star.
