And this guy she wants me to kick it to
So we rode in, party was too crunk
Ran into a friend, she introduced us
He was talkin, spittin his game
And lettin me know he was interested but

Oh, I (Uh-uh) think hes cool
But hes just not my type
Not tryin to be stuck up, picky or diss him'
Oh, I (Oh, I) dont wanna lead him on or waste his time
So let me tell you what I like
