

# Noe Venable, Army Of Nows

tonight I am so free  
that my feet are in flower  
I could sow a garden for you  
but tonight you are so far away  
and I don't know what to do  
facing down this army of nows

tonight I am so restless  
and the moon is coming down  
in a gown of eyelets of blue  
she says  
"worry not about the future  
you have plenty here to do  
lucky you! with an army of nows"

come to carry you with them  
safely safely through the night  
carry you with them  
safely safely through the night  
warm over towns fields and roads  
you'll be warm  
under mongolian coats

and don't you weep  
and don't you fear  
the approach of an army of nows  
don't you weep  
they're almost here  
the approach of an army of nows

come to carry you with them  
safely safely through the night  
carry you with them  
safely safely through the night  
warm over towns fields and roads  
you'll be warm  
under mongolian coats

can you hear the drums?  
can you hear the bells?
