

# Noe Venable, Fangs Of Discipline

Heart is so much bigger than you might dream than you might dream. Heart is so much bigger than  
Heart is a little older than when it was young when it was young. Heart is one tin soldier beating its  
&quot;some have tried to use their will but our way will be gentler, gentler still than the fANGs of DIS  
take this thought and keep it with you like some windy morning when you see the sky through the t
