

Noe Venable, Lion Dreams

sleep my child
lion dreams
someone changed the world
while I was sleeping
turned the sky into the ground
I took off my armor
and I laid it down

in lion dreams
lion dreams
shelter me in lion dreaming

sleep my child
it's nothing much
close your eyes and rest a while
and I'll keep watch
no need to fear
or to fight
only to be patient
and to be kind

in lion dreams
lion dreams
shelter me in lions dreaming
