## Noel, Like A Child

Hey girl, you got me walking in the dark I've got a feeling that my heart is just your game 'Cause you and I, we were so happy at the start But you've been playing much to hard for me to take

Chorus: How could you lie to me Your actions don't vouch for what you say I'm just like a child at play and your love's a toy you tried to take away from me Like a child at play (4x)

It's hard to say the things I feel for you today But now I know my heart will never be the same Girl I'm no toy for you to play with everyday I'll show you just the kind of game I like to play

Chorus (1x) Stop you can't lie to me anymore (4x) No, no, no, no more lies (4x) Like a child at play (8x)
