

# NOFX, 60% (Reprise)

We're the band with our own label  
That's money under the table, that's answering to no one  
But still, other bands just love to hate us  
Talking shit behind us, but smiling to our face

That's OK, it's not that they don't like us  
They're just a little jealous, cause  
we're having more fun  
(the band that wouldn't die)  
We're the self-crowned kings of candor, sultans of slander  
Bastions of D.I.Y.

Which means we make more money, we've got better prescriptions  
We own most of our own music, no one's got their hands in our pockets  
We don't have management, we get to play loaded  
and only 3 months a year  
Some years we just take off, vacations are a write off,  
and so is goin' out (fuck us)  
I suppose that's how we'll go out,  
played out and way after our time
