NOFX, American Errorist (I Hate Hate Haters)

Its ok, allow yourself a little hate Hatred is not so bad when directed at injustice You can turn the other cheek, just dont turn the other way

Enemy of the planet we finally have a common aim a reason to forget about our differences and stand as a united front

Its up to us, we must expose, Humiliate American errorists Well start with one The war has just begun

The war has just begun!
