

NOFX, Bleeding Heart Disease

How money polluted my mind

Do(ugh): what our lives are lived for

Ray: just a crazy Aussie

Me: the generation forges on

Fah: -dder for corporations

Sew: -wing our lips together

LA: such a nice place to get shot. But don't forget the

T(ee): it follows &"liber&" in the constitution, following the part about p

Do(ugh)

do do do do do do do do do do do do do do do do do do do

Today I saw a kid torture a cat

Too much leisure teenage norman rockwell paints it black

How: did the chain get started

Mo(re): is what everyone wants

Nee: -dy is what none of us are

Co: -operation died last night

Rupt: -ured bleeding heart foresight

Me: I'm just a loo.

So don't expect the best, you won't be disappointed when you take a bite and watch the worm crawl

Don't believe the fairy tales of million-dollar happiness,

los angelester lifestyles drinking chardonnay.

Pursue the million-dollar happiness.

do do do do do do do do do do do do do do do do do do do

The pursuit of million dollar happiness

Happiness was killed we watched it bleed

Some say it died from hate

Some say from bleeding heart disease
