

NOFX, Franco Un-American

I never thought about the universe, it made me feel small
Never thought about the problems of this planet at all
Global warming, radio-active sites
Imperialistic wrongs and animal rights! YEAH!

Why think of all the bad things when life is so good?
Why help with an am when theres always a could?
Let the whales worry about the poisons in the sea
Outside of California, it's foreign policy

I dont want changes, I have no reactions
Your dilemmas are my distractions

Thats no way to go, Franco Un-American
No way to go, Franco Un-American
No way to go, Franco Un-American
No way to go, Franco, Franco Un-American

I never looked around, never second-guessed
Then I read some Howard Zinn now Im always depressed
And now I cant sleep from years of apathy
All because I read a little Noam Chomsky

Im eating vegetation, cause of fast food nation
Im wearing uncomfortable shoes cause of globalization
Im watching Michael Moore expose the awful truth
Im listening to Public Enemy and Reagan Youth

I see no world peace cause of zealous armed forces
I eat no breath-mints cause their from de-hoofed horses
Now I cant believe; what an absolute failure
the president's laughing 'cause he voted for Nader

I want to move north and be a Canadian
Or hang down low with the nice Australians
I dont want to be another I-don't-care-ican
What are we gonna do Franco, Franco Un-American
