

# NOFX, Go Your Own Way

loving you isn't the right thing to do how can i ever change things that i feel  
if i could, baby i'd give you my world but how can i, when you won't take it  
from me you can go your own way you can go your own way tell me why everything  
turns brown backin' up, everything's waiting for you if i could baby, i'd give  
you my sock open up, everything's waiting for you you can go your own way you  
can go your own way
