

NOFX, Go Your Own Way

loving you isn't the right thing to do how can i ever change things that i feel
if i could, baby i'd give you my world but how can i, when you won't take it
from me you can go your own way you can go your own way tell me why everything
turns brown backin' up, everything's waiting for you if i could baby, i'd give
you my sock open up, everything's waiting for you you can go your own way you
can go your own way
