

NOFX, Here Comes The Neighborhood

I've got to get out of I've got to get out of this hood, I've got to get
out of this neighborhood I've got to get out of it, got to get out
I've had enough, won't call their bluff I'm not going to live in fear
racism lives on both sides so I'm gonna get the hell out of here
'do you want crack, do you need smack on the track do you want
grass smoke hash you white trash" you better watch out, you
better watch out you better watch out, watch out I've had it up to
here I'm not gonna live in fear they're the ones who are racist not
me why can't they just let me be
