

# NOFX, I Am A Huge Fan Of Bad Religion

I am a huge fan of Bad Religion  
I even bought a brown Fender Precision  
Signing to Atlantic was a really bad decision  
Now theyre back on Epitaph hey

I bought Suffer then I bought a thesaurus  
Then Graffin sang on S/M Airlines chorus  
Now we hang out and party on each others tour bus  
Cuz the old bands know how to have fun
