

# NOFX, Showerdays

In the morning I awake  
I feel my bladder about to break  
I scratch my balls I rub my eyes  
Just feeling lousy

My girlfriend tells me that  
It's time to take a bath  
I say, "No, not today, it's only Tuesday"

Once every 24 hours  
I'm supposed to take a shower  
That's not the way I do it  
Do it do it  
Personal hygiene is the last thing on my mind  
I don't want to do it  
Do it do it

It doesn't make a difference to me  
Everyday I do the same old thing  
So why should I have to be clean?  
Those dreaded Wednesdays and Saturdays  
Also known as shower days  
I hate them

It doesn't make a difference to me  
Everyday I do the same old thing  
So why should I have to be clean?  
Those dreaded Wednesdays and Saturdays  
Also known as shower days  
I hate them
