

# NOFX, Stranger Than Fishin'

Got a no string guitar  
Got a sunn beta head  
I'm a rock & roll Star  
I aint no musician  
Some things are stranger than fishin'

Know a beat on a drum  
Know how to sing outta key  
Got some perscription drugs  
I aint no musician  
Some things are stranger than fishin'

Now I know what I am  
Chop up a, another gram  
Some of us have all the luck  
No matter how much we fucking suck
