

NOFX, Thalidomide Child

Got no arms
Got no legs
Got no head
Now I'm dead

I'm a thalidomide
I'm a thalidomide
I'm a thalidomide child

My mommy took
This sleeping pill
She didn't know
That I't would kill

I'm a child
I'm a child
I'm a thalidomide child

When you're born
You try to hide,
But it'll get you,
Thalidomide

I'm a child
I'm a child
I'm a thalidomide child
